Support Our Library Our Community

Friends of the

Pasco County Library System

Strong support of our public library is essential for continued county, state and federal funding. Our library advocacy efforts are strengthened by your support.

A Friends membership is your best way to show that the public library is important to you, your family and your community.

Friends memberships, book sales and fundraising activities make all of this possible.

If you have attended one of our cultural, art or music programs, if your child or grandchild participated in a storytime or summer reading program, then you have already benefited from Friends support. ■

How to Support the Friends of the Library

A Friends membership is \$10 for individuals and \$15 for families. With your membership, you will receive a membership card and the Friends newsletter.

We suggest you consider supporting as a book donor with a \$25 contribution. In addition to your Friends benefits, a book will be donated to the library in your name.

Several leading Pasco County businesses, organizations, and individuals support our **Be A Friend, Be A Partner** program with their contributions of \$1,000 or more.

We thank these library partners for helping to strengthen and expand the library's collection, special services, special programming and technology. ■
